Claim Objections

Claims 1-12 are objected to because of the following informalities: In claim 1, line 7, phrase "somewhat" should be deleted. In claim 2, phrases "preferably and more preferably" should be avoided/deleted. Appropriate correction is required.

Claims 1-12 would be allowable, if above deficiencies are corrected, since the prior art of record does not teach the claimed lamp comprising a flexible non-metallic cement barrier between a light source and a sleeve in combination with other features of the independent claim.
